

Neany Incorporated ([www.neanyinc.com](http://www.neanyinc.com)) is a small company experiencing rapid growth. We specialize in the development and support of sensors and unmanned vehicles for the Department of Defense and Homeland Security. Our company is headquartered in Hollywood, Maryland near the Patuxent River Naval Air Station. We are actively interviewing for the following full-time position at our office in Yuma, Arizona.

### **Senior Level Program Manager**

To provide analysis to EUCOM in the design, development, and execution of experimentation, wargames, demonstrations, and exercises, and in EUCOM participation in similar events sponsored by other COCOMs and Components and other government agencies. Develop and incorporate concept requirements and objectives, assess and recommend alternative experimentation approaches, recommend courses of action that incorporate best practices, and collaborate with EUCOM to determine what actions EUCOM should take to meet requirements. Provide analysis to wargaming, experimentation, exercise planning and execution under EUCOM's direction. This task included EUCOM Advanced Concepts and Technology Demonstration (ACTD) and Joint Concept Technology Demonstration (JCTD) programs and Joint Experimentation initiatives.

### **Qualifications:**

- Bachelor's degree plus 10+ years of relevant experience.
- Provide Business Development of the aforementioned. Provide alternative approaches that satisfy requirements and provide recommended course of action that incorporates best practices
- Market new concepts and capability requirements supporting the Strategy of Active Security.
- Assess EUCOM inputs to joint experiments and concept development in accordance with EUCOM goals and objectives. Catalogue capabilities to the military end user.
- Provide analysis for the planning, execution, and close-out of selected EUCOM experiments, wargames, demonstrations and exercises associated with JCTD programs.
- Understanding of EUCOM J8 operations needed.
- A background in aeronautics is highly desirable
- Strong problem-solving skills and ability to continuously learn/devise new techniques
- Ability to work well in a team and as a program manager
- Strong communication skills

Neany offers excellent pay and benefits. Our headquarters are located in the heart of Saint Mary's county Maryland in close proximity to the District of Columbia and Baltimore, Maryland. We also have offices in Crystal City, Virginia and Yuma, Arizona.
